# HIGHLIGHTS

Lake Nakuru National Park

## Game Drives in Lake Nakuru National Park

Set in the heart of the Great Rift Valley, Lake Nakuru is one of Kenya's most rewarding parks for rare and elusive wildlife. It's among the best places in the country to spot black rhinos, and it's also known for leopards and lions that often rest in the trees. The lake itself can draw dramatic birdlife, with flamingos appearing in beautiful numbers when conditions are right.

# HIGHLIGHTS

Culture and Conservation

## Maasai Village Visit

Your cultural encounter takes place in the heart of the Mara. Step out of the vehicle and into a Maasai village for a meaningful introduction to one of East Africa's most iconic communities. You'll learn about the boma homestead, hear stories of tradition and daily life, and, if welcomed, witness a ceremonial dance. There is also time to browse beautiful hand-crafted beadwork created by the women of the village. It's a grounding, human moment that adds depth to the safari experience.

## Giraffe Center Visit

Just minutes from central Nairobi, the African Fund for Endangered Wildlife Giraffe Centre offers a rare, close-up encounter with the Rothschild giraffe, one of the most endangered subspecies in the world. From the elevated platform, you'll be eye-to-eye as you feed them by hand, while learning about the conservation work behind this remarkable programme. It's a light, memorable experience and a perfect way to end your time in Kenya.

# HIGHLIGHTS

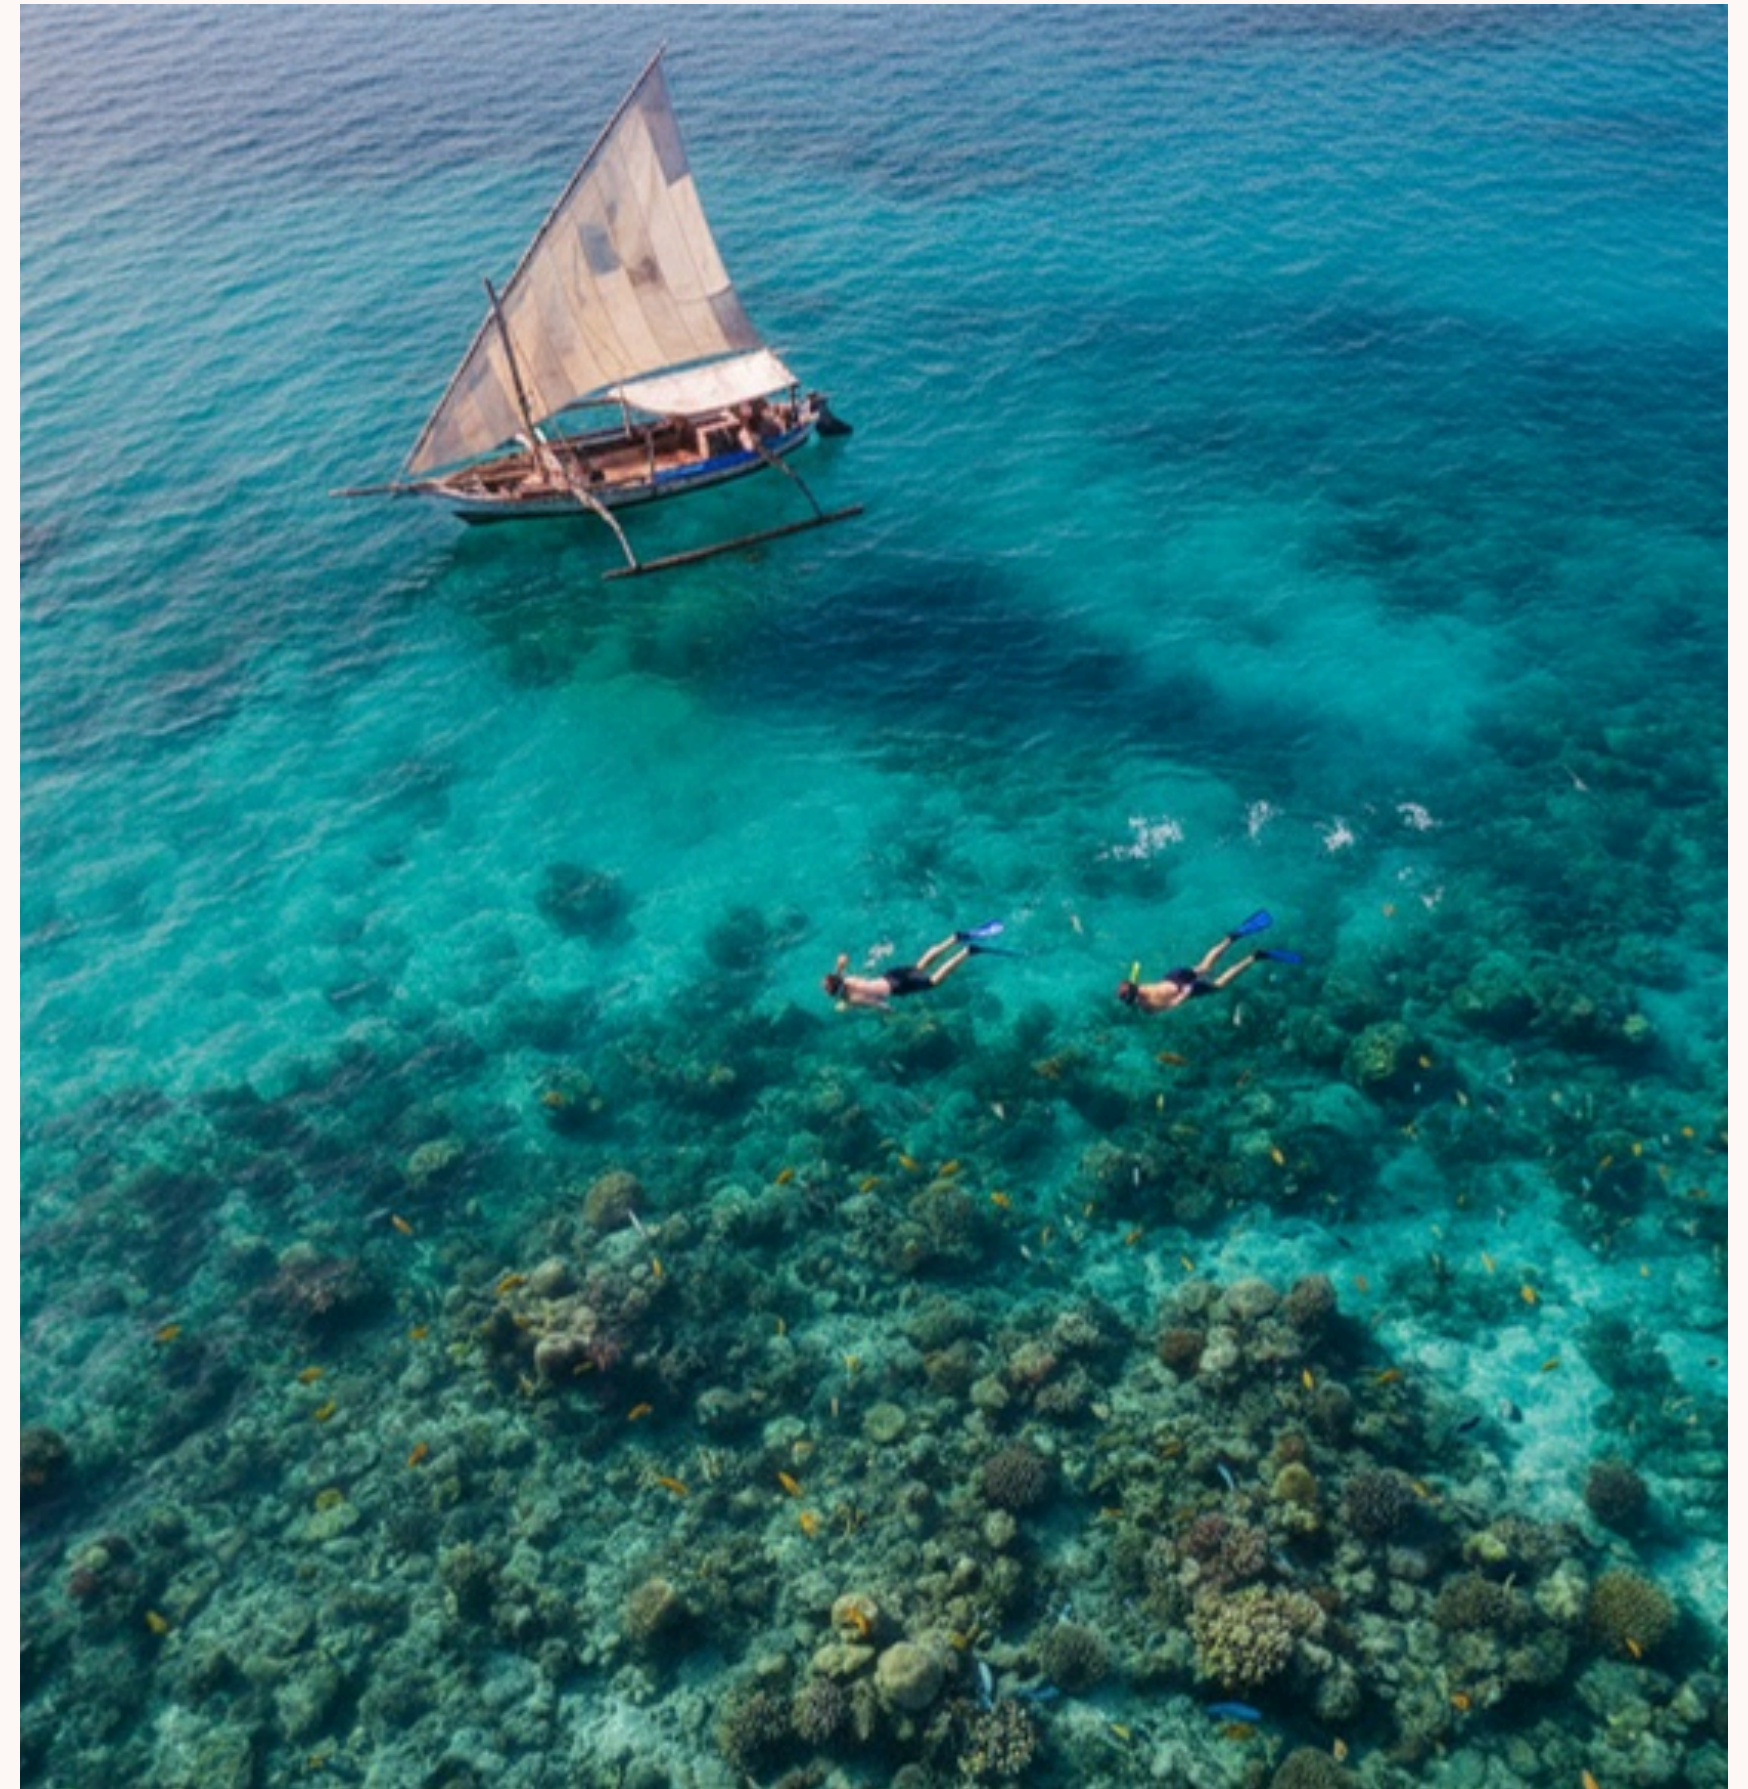

Zanzibar Beach Escape

## Zanzibar Beach Escape - Nungwi Beach

Zanzibar is the perfect finish, a complete shift in pace and scenery after the safari. Think warm turquoise water, powder-soft white sand, and an unhurried island rhythm. Based at a beautiful all-inclusive beachfront resort in Nungwi, your days are yours to enjoy: snorkel over coral reefs on a Safari Blue excursion, sail into the sunset on a traditional wooden dhow, or simply settle in and do nothing at all.

This is the exhale at the end of the journey, pure sea, sun, and effortless relaxation.

Choose your session, a morning cruise departing at 7am with breakfast on board and sparkling beverages, or an afternoon cruise departing at 11:30am with lunch, alcoholic and non-alcoholic drinks. Both sessions include professional binoculars and a Lake Nakuru naturalist guide.

Maximum 8 guests per boat.

## Sunset Dhow Cruise

On board, crack open the cooler and enjoy cold drinks and snacks as the dhow leisurely makes its way home under a darkening sky. Simple and beautiful way to end the day.

## Safari Blue - Snorkeling

Safari Blue takes you out into the open waters aboard a traditional sailing dhow, fitted with all the safety essentials. The full day unfolds at its own pace, anchor in crystal-clear shallows for snorkelling over pristine coral reefs, high-quality equipment provided and a wide range of sizes available. Lunch is on a sandbank or a remote island: fresh barbecued fish, rice, lentils, and fish curry, with juices, soft drinks, and local beer. Take to the water on a hand-carved outrigger canoe, snorkel again, or simply stretch out and soak it all in. Sail back to Fumba arriving at your hotel by 17:30.
